SILVIA POLOTO

The Wabi Sabi series was created as meditations for the viewer. The works in this series are seemingly understated, and yet they have an active presence. Poloto's compositions create space for the essence of things to emerge in dynamic possibilities.

Paper is the primary medium, and the gluing and pulling of the paper leaves marks that become the brushstrokes and is the underlying structure of the artworks. Poloto says of the Wabi Sabi series, "Agency and possibility engage each other in trust. They don't shout, they whisper."
